

How We Ought To Be

2Peter 3:11-13

2Peter 3:10-18

- Since the judgment is coming, what kind of people should we be?
- 3:10 – the reality that is coming

What sort of people should we be?

- People who live holy lives
 - Be holy as I am holy (1Pet. 1:15-16)
- Godly people – devoted to God – being like Him
- Looking for (having a mind toward) and hasten the coming of the day of God
 - 1Cor. 16:22; Rev. 22:20

What sort of people should we be?

- People who look for the new heaven and earth where righteousness dwells
 - Heb. 11:13-16
- Since you look for that place:
 - Be diligent to be found in Him
 - In peace – with God and others
 - Spotless, blameless
 - Regard God's patience as salvation (3:9)

What sort of people should we be?

- Know two things:
 - God's patience
 - Scriptures can be twisted to our destruction
 - Be on your guard and do not be carried away by the error of unprincipled (lawless) men.
- Grow in the grace and knowledge of our Lord and Savior Jesus Christ.
