# THE CHURCH

- Four activities that should be what we are about:
- Devoted to the apostles teaching:
  - Learning from God's word
  - God's perspective on every matter so they could obey him and grow spiritually and have impact on others.
- Devoted to fellowship:
  - Being together – eating together
  - A disconnected Christian is a disobedient and unfruitful Christian.

# THE CHURCH

- They worshiped together regularly.
- They broke bread and prayed together.
- They were engaged in evangelistic outreach.
- Lord added to their number every day.
- Everyone was involved – not simply left up to the apostles.
